

## **SOVIET WHORE WHAT IS THIS?**

2004 -- Is Marcel Duchamp's Cyrillic eyechart

I find this very interesting, I hang the badly JPEG-ed, low-resolution version over my desk.

I see it for a year -- absently, sometimes intently  
& then --

2006 -- It is necessary that -- a screen print. Larger, unlimited edition, distributed widely.

Is the Soviet Whore Altitude Project.

Quickly -- Of Course, the Folio will exist.

Quickly -- Of Course, the Propaganda

Quickly -- Of Course, Altitude Propaganda

& then --

Is growing, organically -- ongoing with a yet unknown path.
